SAS REUNION 2005

March 30, 2005

Dear SAS Alums,

St. Alphonsus School Committee along with the Langdon School District Foundation is looking forward to hosting Reunion 2005 scheduled for June 17, 18 and 19, 2005. Now is the time to contact your SAS classmates and to make those plans to meet this June so memories can be shared, stories retold.

We are encouraging every one to register early so we can plan for this great visit to Langdon and "the school", a name used for SAS in former days. There are a number of activities planned that are hosted by Langdon School District Foundation. Those are listed on the back of this sheet. In addition, there are many other activities for families in the area:

Cavalier County Museum at Dresden Langdon City Park Facilities
Langdon Swimming Pool Golfing at the Langdon Country Club
Camping at Mount Carmel Dam

Registration will be at St. Alphonsus School Cafeteria on June 17th 10:00 AM - 5:00 PM. Watch for updates of schedules on www.langdonschoolfoundation.org.

Finally, we are in the process of making renovations to the old school to ensure the future of great academic and spiritual growth of SAS students. Please stop by to see the first phase of renovations. We are excited about the new look and the changed spaces planned for St. A's. **Please** consider making a **good-will donation** to St. Alphonsus School that its Faith in Christ and its spirit of Academic Excellence will continue to flourish. **Class of '58 issues a challenge to all other SAS classes to assist with either furnishing an office or classroom in new remodeled area of the old building.**
